

May 11, 2011 marked a very special occasion for Cava Spiliadis! We celebrated the launch of Gerovassiliou Estate WHITE in the Ontario market! The celebration consisted of a formal tasting of six exceptional vintages followed by a luncheon at the THOMPSON TORONTO.

This invitation only event was attended by 30 of Canada's most influential wine writers, sommeliers, collectors and representatives of the LCBO. The formal tasting included wines from the Gerovassiliou, Biblia Chora and Katsaros Estates, many of which are not yet available in the Ontario market. It was hosted by Vangelis Gerovassiliou of Gerovassiliou and Biblia Chora and Elyse Lambert: Best sommelier of the Americas 2009 and Top 12 best sommelier of the world.

Our guests were extremely impressed with their discoveries and all expressed interest and enthusiasm as to when the complete Cava

Spiliadis portfolio will be available in Ontario.

The Gerovassiliou Estate WHITE launched in limited quantities at LCBO Vintages on May 14, 2011.
