# 12 Wine Grapes Worth Discovering

**Eric Asimov**

THE POUR MARCH 24, 2017

The vespaiolo grape from the producer Contrà Soarda in the Veneto region of Italy. Marcello Gottardi

**Malagousia** This Greek white is another grape to have been rescued, as “Wine Grapes” puts it, from oblivion. From good producers like [Domaine Gerovassiliou](#) and [Domaine Zafeirakis](#), malagousia makes a rich yet zesty wine, perfumed, peachy and floral. Try it with light seafood and pasta dishes.
